Notes

This schedule shows the registration closing and examinations dates for the Johannesburg Centre. Trinity reserves the right to alter the dates shown if necessary. If you or your candidate cannot attend an exam on a particular day during the allocated examination period or at a certain hour of the day because of a **prior** commitment (e.g. religious obligation):

- It is imperative that you e-mail the dates not available to gerda@gogettersgo-learn.com right from the outset.

The representative will try to timetable the examinations to suit all candidates to the best of her ability, but it is impossible to accommodate everybody due to the very real constraints of available dates, location and working hours per day. Therefore kindly bear in mind that all requests **cannot be accommodated despite our every wish to do so**. If you indicate numerous dates/times as unsuitable, your entry may need to be deferred to a later session.

Re-entries ONLY cannot be entered online and must be e-mailed together with the re-entry permit to gerda@gogettersgo-learn.com. NO NORMAL ENTRIES MADE VIA E-MAIL WILL BE PROCESSED or ACCEPTED.
